

Stella Di Mare Hotel, Dubai Marina

The five-Star property is the new 'star of the Marina'

Stella Di Mare, meaning 'the star of the sea' in Italian, is ornate, elegant and designed to the highest possible quality. The opulent décor uses selected materials imported from Italy and across the world for a true five-star finish. The 369-room hotel offers art deco style suites, twin and king rooms, a fully-equipped spa with an extensive range of beauty treatments, and stylish meeting venues

As the first international property for the brand, Stella Di Mare, Dubai Marina is a refreshing addition to the hospitality landscape. Ideally located, the property brings a new dining hub to the south edge of the Marina. All six of the outlets offer international, regional and contemporary dining experiences, coupled with extraordinary views:

Leonardo, named after the iconic Italian polymath, Leonardo Da Vinci, is an authentic Italian restaurant with inventive twists. The décor features life-size models of some of Da Vinci's most famous inventions, has a standalone bar area and its own entrance on the first floor.

La Fontana, meaning 'fountain' in Italian, is an all-day dining venue offering an international buffet. It also features an authentic stone pizza oven and overlooks the hotel's outdoor fountain.

The Orphic Bar, located to the left of the lobby, is a lounge-style restaurant and café with international snacks and fine Italian coffee.

Pool-side bar, located on the ground floor next to La Fontana, offers guests the opportunity to enjoy daily refreshments whilst relaxing in the water.

The property comprises 252 king rooms, 72 twin rooms and 45 suites, all of which are fully air-conditioned and fitted with high-speed Wi-Fi, a flat-screen TV, personal safe, mini-bar and 24-hour room service.

The 550 sq. metre roman bath inspired spa offers a variety of treatments, including massages, facials and beauty therapies. There are separate male and female saunas, a steam room, an indoor jacuzzi and a stunning outdoor temperature-controlled swimming pool. The health and wellness options also include an indoor gymnasium with a range of high quality equipment, plus a salon offering hair, nail and other beauty treatments.

The hotel is conveniently located among the business areas of Jebel Ali Free Zone, Dubai Media City and Dubai Internet City, and is just a short walk to the metropolitan hub of JLT. Those looking to conduct business will be able to choose from a selection of meeting venues within the property, while there will also be a 500 sq. metre banquet hall to accommodate up to 500 people.

Stella Di Mare offers easy access to popular areas within Dubai. It is a 10 minute walk to Jumeirah Beach Residence and a five minute stroll away from Dubai Marina Mall. Dubai International Airport and Dubai World Central Airport are both just 35-minutes' drive away.
