

Wyndham Hotels & Resorts Continues Growth Trajectory across Europe, Middle East, Eurasia and Africa

Wyndham Dubai Deira, UAE

Dubai, UAE 5th April 2021 - [Wyndham Hotels & Resorts](#), the world's largest hotel franchising company by number of properties with over 8,900 hotels across nearly 95 countries, continues to cement its presence across Europe, Middle East, Eurasia and Africa (EMEA) with a series of recent hotel launches and a strong line-up of openings for 2021.

In a year of historic challenges for the travel industry, in 2020 Wyndham achieved 38 new hotel signings in the region and a host of important openings, in addition to launching multi-faceted initiatives to support and empower hotel partners across EMEA to help re-build demand in response to changes and on-going travel restrictions.

Some of Wyndham's key 2020 openings included the international expansion of La Quinta by Wyndham into Turkey, the European expansion of Ramada by Wyndham in Madrid, Valencia, Leeds and Budapest and other openings in Germany. 2020 also marked a significant year for the Middle East region, with the debut of the Super 8 by Wyndham brand in the UAE and the opening of the upscale Wyndham Dubai Deira. Other openings in the region included Ramada by Wyndham Erbil Gulan Street in Iraq, Ramada Encore by Wyndham Muscat Al Ghubra in Oman, as well as Ramada by Wyndham Lahore Gulberg II in Pakistan.

In late 2020, Wyndham also opened its first hotel in Nepal under the Ramada Encore by Wyndham brand, and expanded in India with the addition of Wyndham Ahmedabad Shela. Solid growth continued in 2021, as Wyndham announced the debut of the La Quinta brand in Dubai, and saw further momentum in Turkey with the opening of Ramada by Wyndham Izmir Aliaga, while also expanding its Dolce brand with a new flagship hotel in Copenhagen.

Wyndham's recent expansion in EMEA reinforces its commitment to its partners, guests and team members across the region and is set to continue with a strong development pipeline of over 16,000 rooms that includes more than 20 new hotels expected to open later this year.

Dimitris Manikis, President EMEA, Wyndham Hotels & Resorts, said: "We are extremely proud of these achievements, initiatives and the incredible resilience shown by our hotel partners in the region. In the toughest period our industry has ever experienced, it is more important than ever to put our partners, guests and teams at the heart of everything we do. Our ability to continue to grow is a testament to the strength of the value proposition of the Wyndham brands for hotel partners as they prepare to rebuild demand, and we are looking forward to our continued and long-term success together."

Some of the upcoming openings in 2021 will include:

- The opening of the first Days Inn by Wyndham in the UAE in the second half of 2021, which will bring more economy accommodation options to travellers visiting the charming Deira district in Dubai, as well as the opening of Howard Johnson Plaza by Wyndham Dubai Deira and a new Wyndham Grand hotel in Doha, Qatar.
