

Over 4m high single storey stand submission checklist

To help ensure that your stand plans are checked and processed in a timely manner, it is really important that you have submitted all the requested information below. Failure to not submit all the necessary documents may result in delays in issuing permission to build, incurring additional costs for having to make amends to your stand designs and further delays on site.

<input type="checkbox"/>	Full dimensional stand plans		Stand Visuals
<input type="checkbox"/>	height of stand from venue floor to top of dividing back wall	<input type="checkbox"/>	Showing overall layout and design of stand
<input type="checkbox"/>	height of stand from venue floor to top of all structures	<input type="checkbox"/>	Visual of the material for any long runs of walling along open sides
<input type="checkbox"/>	Height of any platform and details of ramp	<input type="checkbox"/>	Confirming any doors on stands have a vision panel
<input type="checkbox"/>	Length and width of stand		
<input type="checkbox"/>	Length of any long runs of walling along open sides	<input type="checkbox"/>	Glazing , if applicable
