

WELCOME BACK TO OUR VALUED CUSTOMERS

The health and well-being of our guests, exhibitors, employees and community is important to us.

Follow these steps to ensure a safe experience.

BEFORE YOU ARRIVE

1

Pre-register your attendance and/or purchase your ticket online.

2

Download the COVID-19 Screening App in advance.

3

Arrive early to allow for sufficient time to complete the screening.

Have your temperature taken. An infrared non-contact thermometer will be used. A body temperature of 37.5°C and over is considered to be a fever.

6

Complete the daily screening process to gain access into the venue.

5

Masks must be worn on arrival

4

7

Sanitise your hands on entering the venue.

ONCE INSIDE THE VENUE

8

Masks must be worn when walking in general event spaces, during meetings and interacting with event patrons.

9

Keep a minimum physical distance of 1,5 meters.

10

Continuously sanitise your hands at any of the stations positioned throughout the venue (entrances, features, public and catering areas).

Should you experience any symptoms, please report to the COVID-19 Helpdesk.
