We have two options for hiring cleaning services:

**Fixed cleaning** - where the cleaning assistant stays fixed at the stand, during the entire period of the event

**1x daily cleaning** - the cleaning assistant passes by the stand once a day, before the opening of the event.

## FIRE EXTINGUISHER (OBLIGATORY)

---

The extinguisher is an obligatory item for your stand and the rental corresponds to the period of the event.

Insurance is a risk management tool that protects your investment.

- Stands, goods, products, people of any kind, including agents, transporters, ASSEMBLERS, crane companies and all the rest are not covered by insurance, whether during Assembly, Execution or Dismantling. Therefore, any damage or eventuality is the EXHIBITORS' sole and entire responsibility.
- The insurance value will be defined taking into account the size of the rented area and exhibited products. By hiring this service through RX Solutions, we guarantee a lower cost (compared to hiring it individually).
